

● Players with ball      ○ Coach

### SKILL

Pass accuracy

### SETUP

15 x 35 yard grid

### HOW TO

Players must try and run from one end of the grid to the other while coach stands on the edge passing balls along the ground to hit the players feet. Once players get hit they come outside to the outside to join the coach and pass balls (asteroids) into players feet. Game ends when one player (spaceship) remains.
